

1955, 1956, 1957 Thunderbirds

Chapter 46 C.T.C.I.

	<p>The Big "D" Little Birds Classic Thunderbird Club was formed in 1972 to band together owners and those who have an interest in the classic automobile.</p>
<p>The purpose of the Big “D” Little Birds Classic Thunderbird Club is the appreciation, preservation, restoration, proper use, maintenance and enjoyment of the 1955, '56, and '57 Classic Thunderbirds through club outings, our club newsletter, weekly breakfasts, monthly business meetings and CTCI events.</p>	<p>Attached is the membership form for the Big “D” Little Birds. This can be completed and sent to the Club Treasurer along with a check for \$25.00 (full year dues) or \$12.50 (half year dues after July 1st).</p>
<p>The cars referred to as “Classic Thunderbirds” were produced by Ford Motor Company in the model years 1955, 1956, and 1957. These were the first three years that Thunderbirds were made and these were the only two-passenger “Birds”. Total production of all two-passenger “Birds” was 53,166. By year, there were 16,155 of the 1955 Thunderbirds manufactured, 15,631 of the 1956 models, and 20,380 of the 1957 models. There is estimated to be approximately 70% of the cars still in existence.</p>	
<p>You are invited to visit our club. Weekly breakfast is held on Saturday, at 8:45 am at the Southern Recipe Café located on the south side of Campbell Road and east of Coit Road in Richardson.</p>	
<p>The club is a chartered chapter of the Classic Thunderbird Club International in Signal, Hills, California.</p>	<p>Enclosed is an application to join the Classic Thunderbird Club International.</p>
